

The Lord Jesus Comes as Servant Happy Helper Plaque

Book Time Activity Sheet

...This is My beloved Son ...
(Matthew 3:17)

Hopper Bear Hug 7

The Lord Jesus came to earth to serve us. Remember, to serve someone means to happily help that person. The Lord Jesus, the promised Savior, served us by taking the punishment for our sin. We can show His love by serving others. Copy the happy helper plaque on card stock. Punch holes around edges. Prepare strands of yarn with one end taped tightly to make a sewing "needle". Let Cubbies color the picture, and then string yarn through the holes and over the edge of the paper. Tape a loop of yarn at the top of the picture so it can be hung up.
