Awards Banquet Celebration

This year's *24-7 Ministries Day* will include '*Awana Got Talent*' – an opportunity for quiz participants to share talents God has gifted them with. Talents can include vocal, instrumental, comedy, composition, or drama and can be shared individually or as a group. There is no fee – *Awana Got Talent* teens need only pre-register. Entries are non-competitive, must be glorifying to God, and can only be accepted from teens who are quizzing. Entrants will be introduced and given the opportunity to share their talents during one of the 24-7 Ministries Day segments.

The Awards Banquet Celebration will begin with worship and a message, followed by the banquet meal and concluding with the presentation of the State Bible Quiz Championship awards.

For 2008 Louisiana 24-7 Ministries Day details and forms – including *Trek and Journey Bible Quiz Rules, Registration* and new *Awana Got Talent Entry* go to – [www.Awana4u2.org/stone](http://www.Awana4u2.org/stone). Bible Quiz registration fee is \$30/team (team is 2-4 quizzers and coach) and includes their banquet meal.

We would like to extend a special welcome for parents and friends – there is no admission fee – just a \$3/person meal cost for the banquet. Your presence would be an encouragement to the quizzers and the entrants sharing their talents. Together, let us honor and praise God for how He is working in the lives of our youth!
